

CLIA-WAIVED A1C TESTING

Easy Just Got Easier.

In-office A1C
testing in just five
minutes.

A1CNow+

Now with New and Improved Sampler

circle #145

Fast. Easy. Accurate.

Getting lab-accurate⁽¹⁾, in-office A1C results just got even easier with A1CNow+. Its new and improved blood sampler has fewer parts, takes fewer steps, and requires only 5µl of blood for faster sample collection. A1CNow+ needs no capital equipment and is billable to Medicare CPT Code 83037 QW.
